ATTACHMENT TO 2007 CPNI COMPLIANCE CERTIFICATE

Statement of Silver Star Telecom, LLC's Operating Procedures

1. As a reseller of, primarily, private-line data services to other carriers, Silver Star Telecom is not in a position to obtain CPNI of end user customers.
2. Silver Star Telecom does not use CPNI for sales and marketing purposes nor for outbound marketing.
3. It is the policy of Silver Star Telecom not to use, disclose or permit access to CPNI without prior customer notification for any purpose other than the following: to provide customers with the purchased services; billing and collection for purchased services; to customize purchased services; to perform maintenance and diagnostics; to provide technical support; to install hardware and software upgrades; to prevent fraud; to respond to lawful service of process; to protect against unlawful use of our network; and to protect other network users.
4. Prior to any solicitation for customer approval, the Company will provide notification to the customer of the customer's right to restrict use of, disclosure of, and access to that customer's CPNI in accordance with 47 CFR 64.2008. The Company's policy is to maintain records of customer approval for use of CPNI, as well as notices required by the FCC's regulations, for a minimum of one year, in a readily-available location that can be consulted on an as-needed basis so that the status of a customer's CPNI approval can be clearly established prior to the use of CPNI.
5. Silver Star Telecom has only one employee, who is not authorized to use CPNI for any purpose without my approval. All Silver Star Telecom customers are served by a dedicated account representative – either myself or my employee – and have/will receive a contract and/or service contract notification specifically addressing protection of CPNI.
6. The Company's policy is to maintain records of a CPNI breach for a minimum of two years. These records will include a description of the steps the Company took to prevent the breach, how the breach occurred, the impact of the breach and proof of notification to law enforcement and the customer, if applicable.
7. Silver Star Telecom does not share CPNI with any third parties for any purposes other than providing requested services to the Company's customers or in response to a valid subpoena. The Company enters into confidentiality agreements, as necessary, with any joint venture partners or independent contractors to whom it discloses or provides access to CPNI.
